

Captain Kwok's Balance Mod v125+ Fleet Formations

Wall (L/M/S)

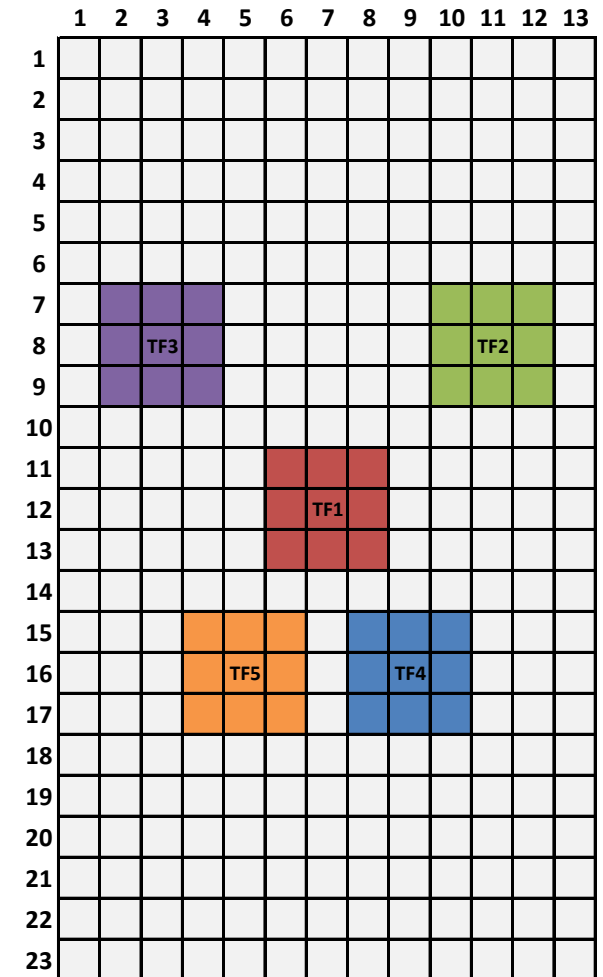

Task forces are arranged horizontally with support groups directly behind.

Arrowhead (L/M/S)

Task forces are arranged diagonally behind the primary task force.

Bull (L/M/S)

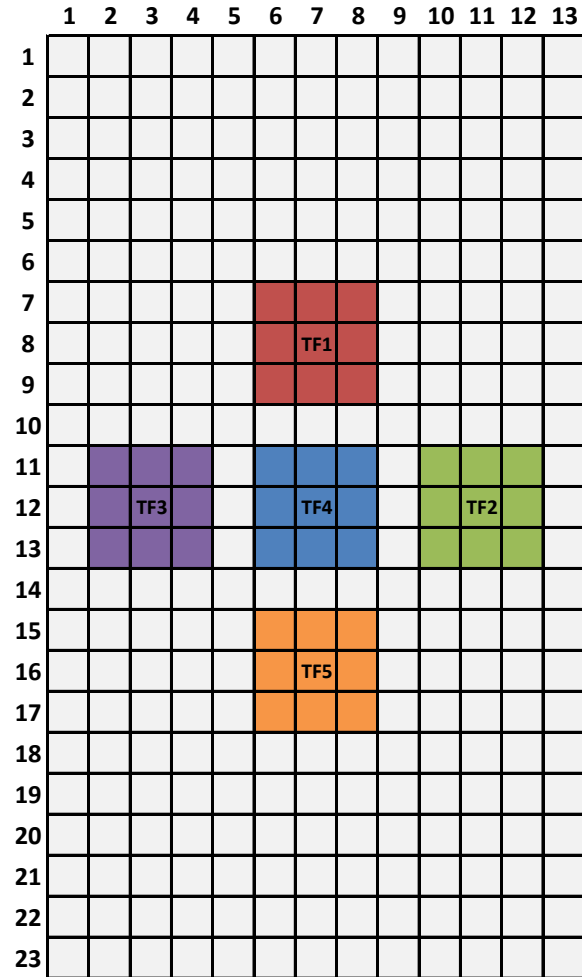

Primary task force in the center with other groups poised for a flanking maneuver.

Spacing is 100 units for L, 60 units for M and 40 units for S.

Typical usage is TF1-3 for combat ships and TF4-5 for support or speciality ships.

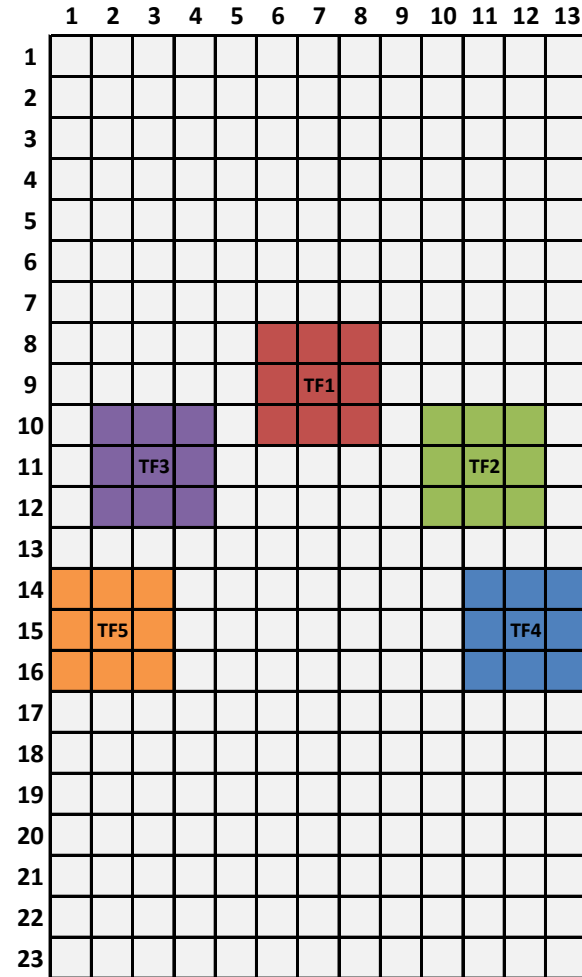

Captain Kwok's Balance Mod v125+ Fleet Formations

Diamond (L/M/S)

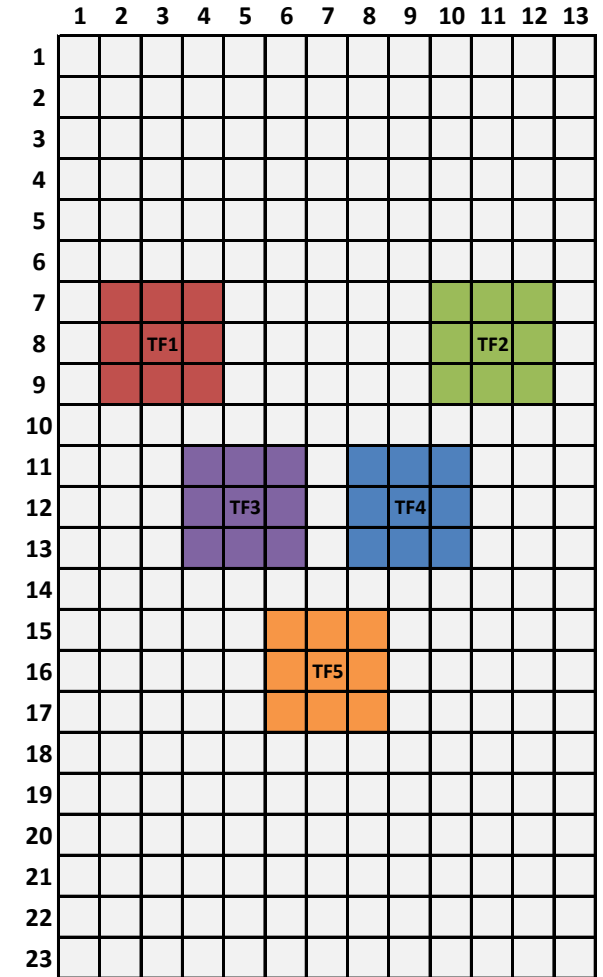

Formation with task forces arranged in a diamond pattern.

Dome (L/M/S)

Task forces are arranged in a large semi-circle.

Flying V (L/M/S)

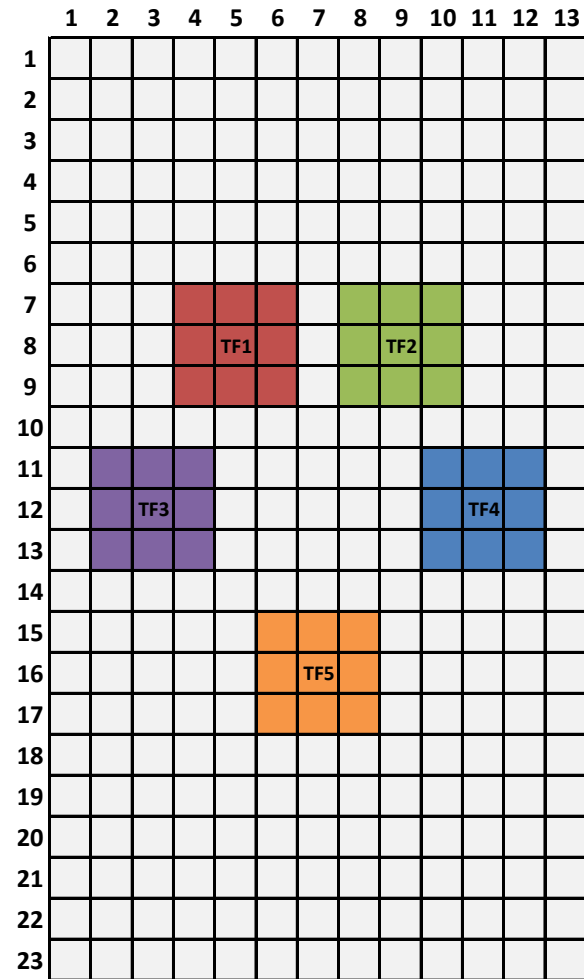

Formation arranged in a reverse arrowhead.

Spacing is 100 units for L, 60 units for M and 40 units for S.

Typical usage is TF1-3 for combat ships and TF4-5 for support or speciality ships.

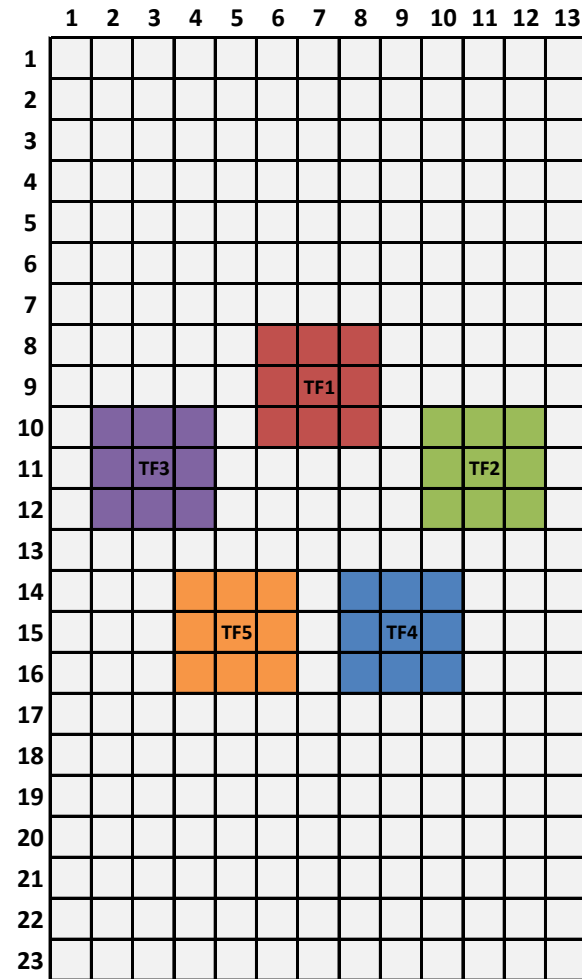

Captain Kwok's Balance Mod v125+ Fleet Formations

Shell (L/M/S)

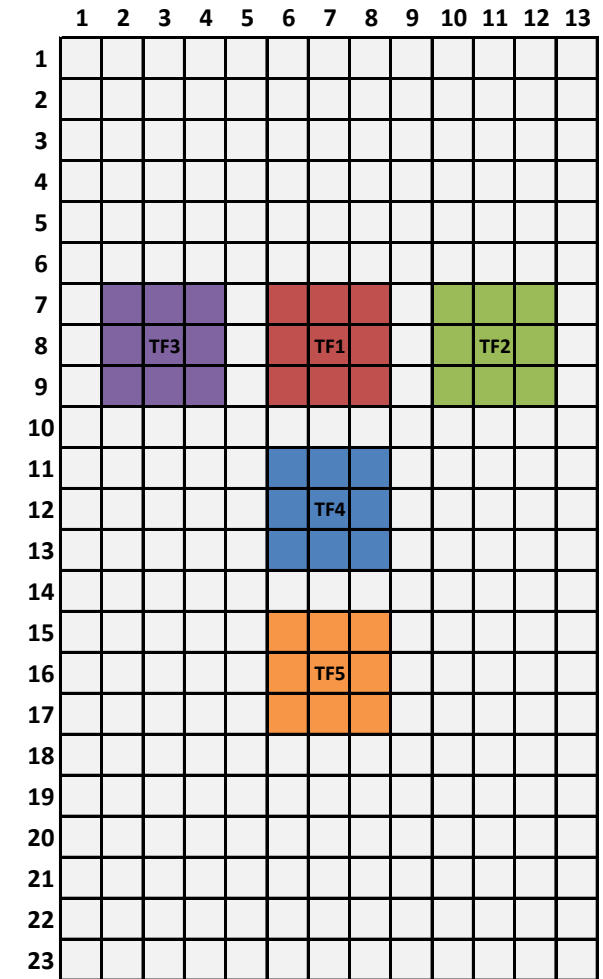

Task forces are arranged in a trapezoidal form with a trailing support group.

Swarm (L/M/S)

Formation that tightly groups additional task forces around the primary task force.

Tee (L/M/S)

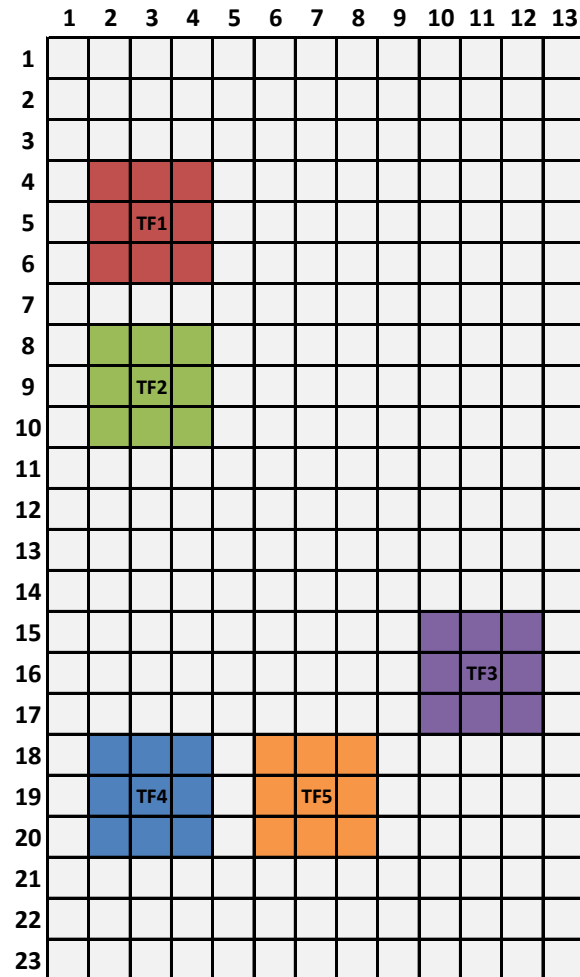

Formation with task forces arranged in a T shape.

Spacing is 100 units for L, 60 units for M and 40 units for S.

Typical usage is TF1-3 for combat ships and TF4-5 for support or speciality ships.

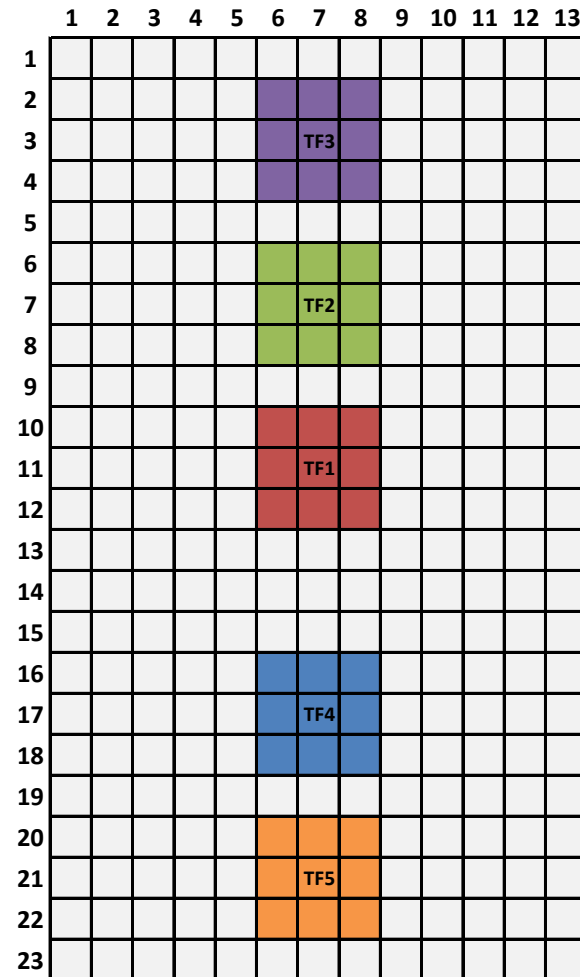

Captain Kwok's Balance Mod v125+ Fleet Formations

Blindside (L/M/S)

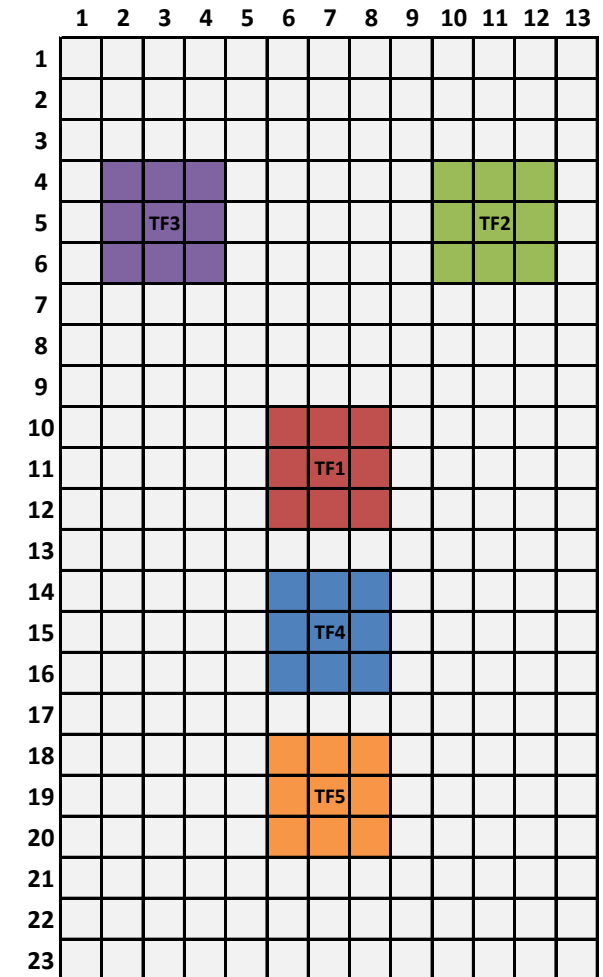

A formation with two task forces on the left and a trailing task force on the right flank.

Lance (L/M/S)

A long column formation.

Fork (L/M/S)

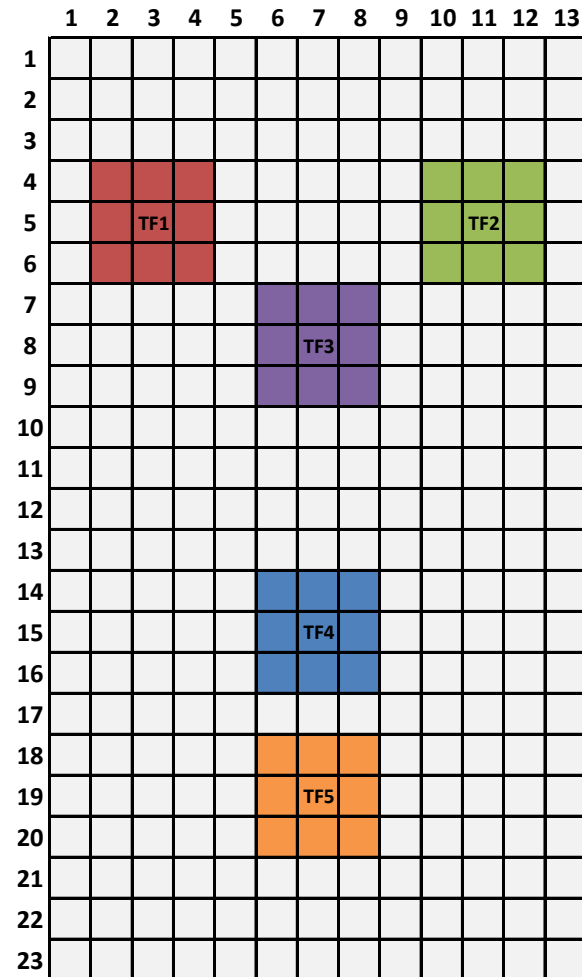

Formation with offensive task forces arranged in a steep V.

Spacing is 100 units for L, 60 units for M and 40 units for S.

Typical usage is TF1-3 for combat ships and TF4-5 for support or speciality ships.

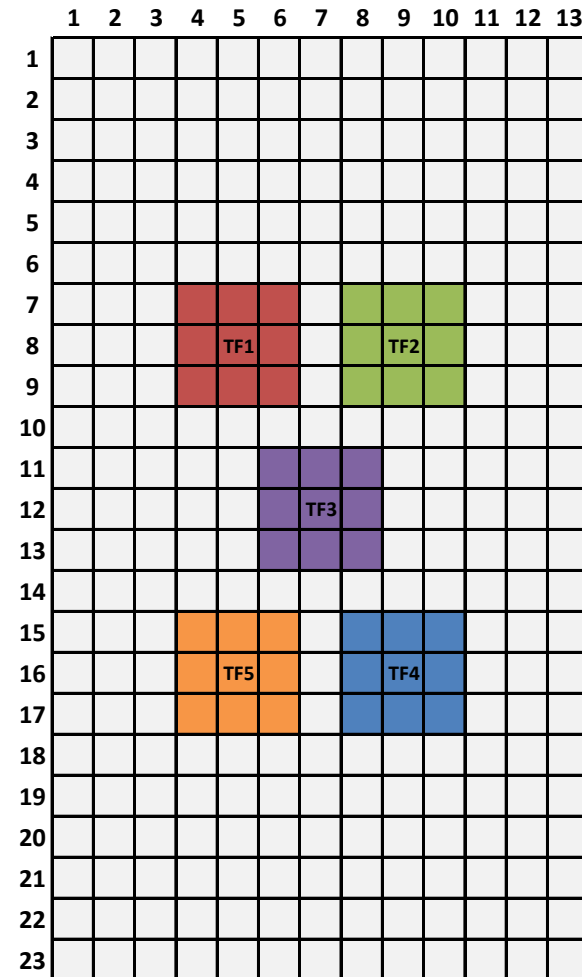

Captain Kwok's Balance Mod v125+ Fleet Formations

Trident (L/M/S)

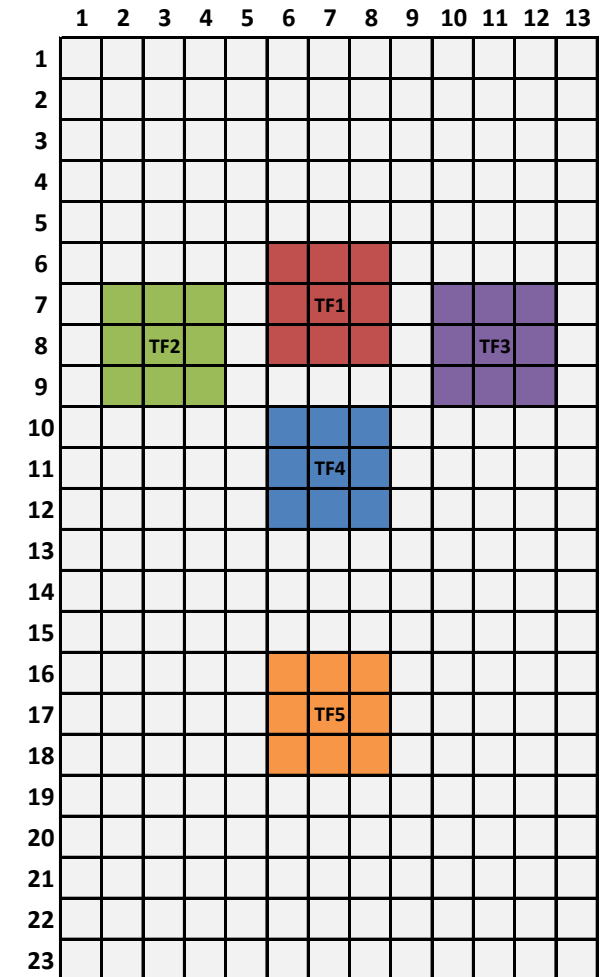

Formation with offensive task forces arranged in a shallow triangle.

X (L/M/S)

Task forces are arranged in an X pattern concentrating offense down the middle.

Crossbow (L/M/S)

A formation concentrating the fleet's offensive task forces.

Spacing is 100 units for L, 60 units for M and 40 units for S.

Typical usage is TF1-3 for combat ships and TF4-5 for support or speciality ships.

A screened broad front formation.

All spacing is 25 units.

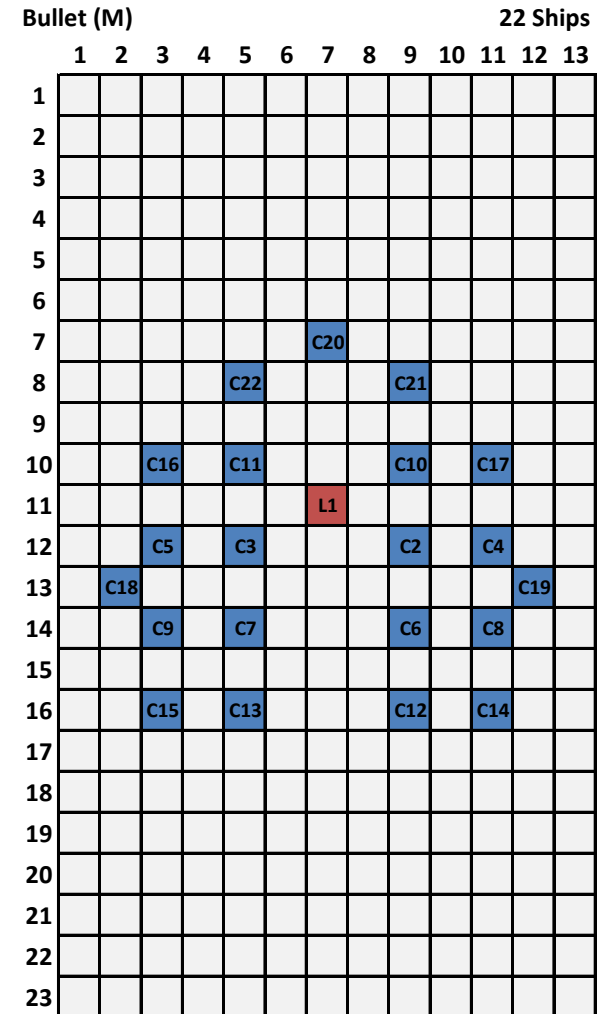

Captain Kwok's Balance Mod v125+ Task Force Formations (Medium)

A layer of escorts and pickets around a tight formation of core ships.

All ships moving forward in a charging attack.

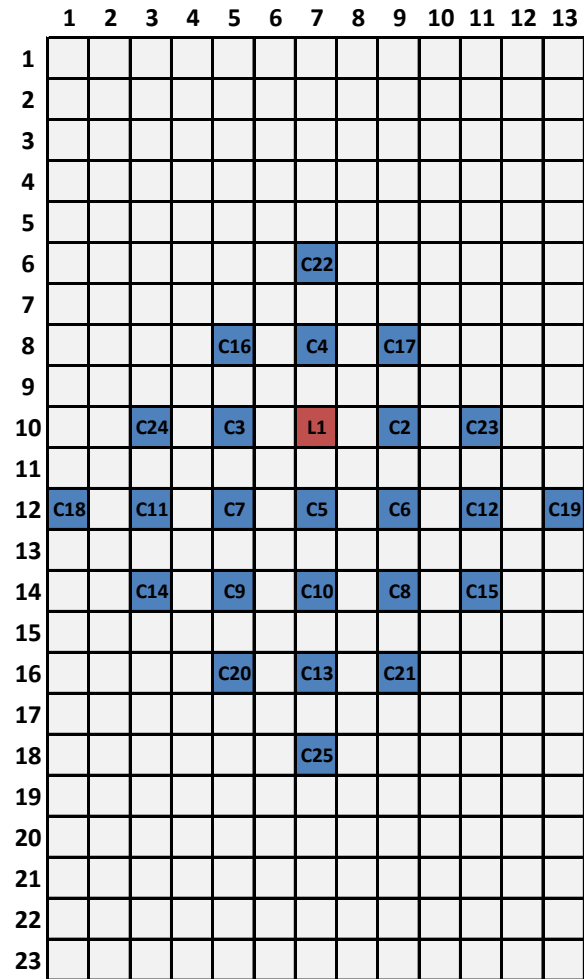

A directed force of ships with columns of core ships waiting to burst through.

All spacing is 15 units.

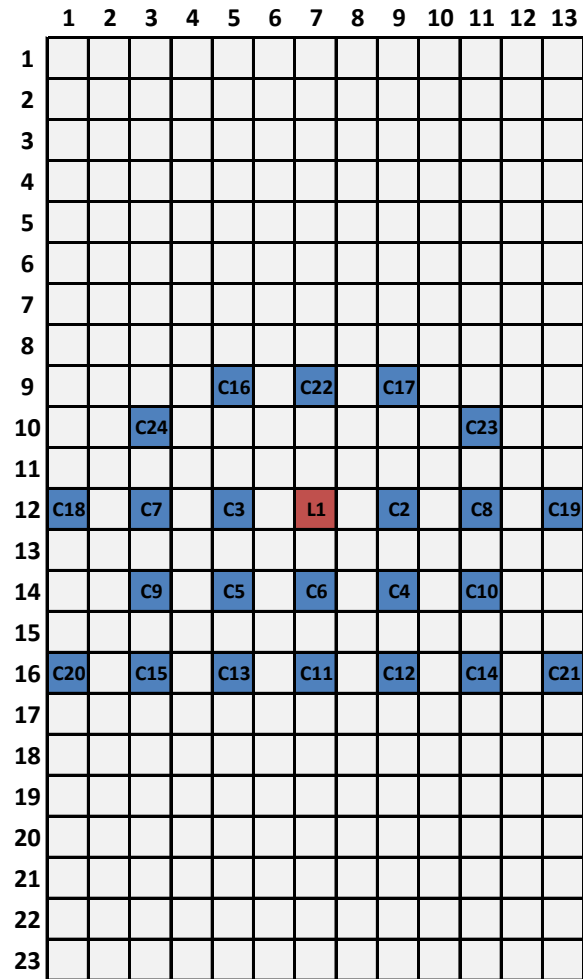

Captain Kwok's Balance Mod v125+ Task Force Formations (Medium)

Diamond (M) 25 Ships

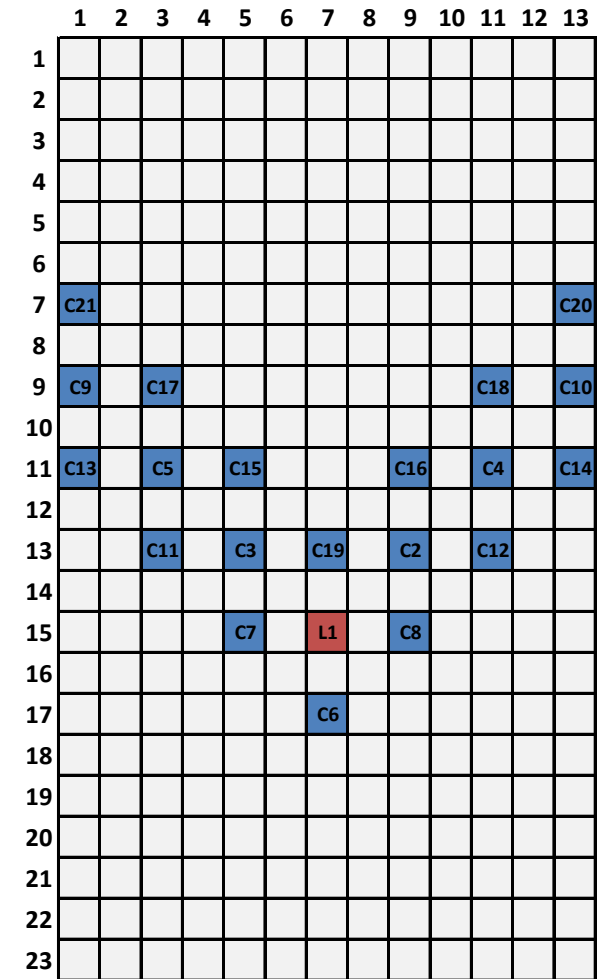

Formation with escorts and pickets arranged around a central core of ships in a diamond.

Dome (M) 24 Ships

Formation with core ships screened by escorts and pickets in a semi-circle in front.

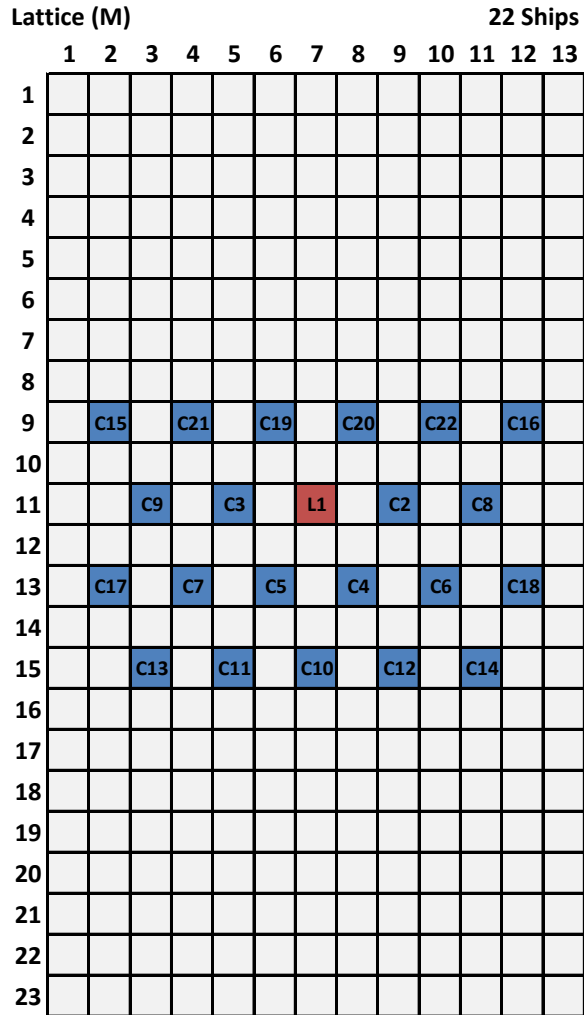

Flying V (M) 21 Ships

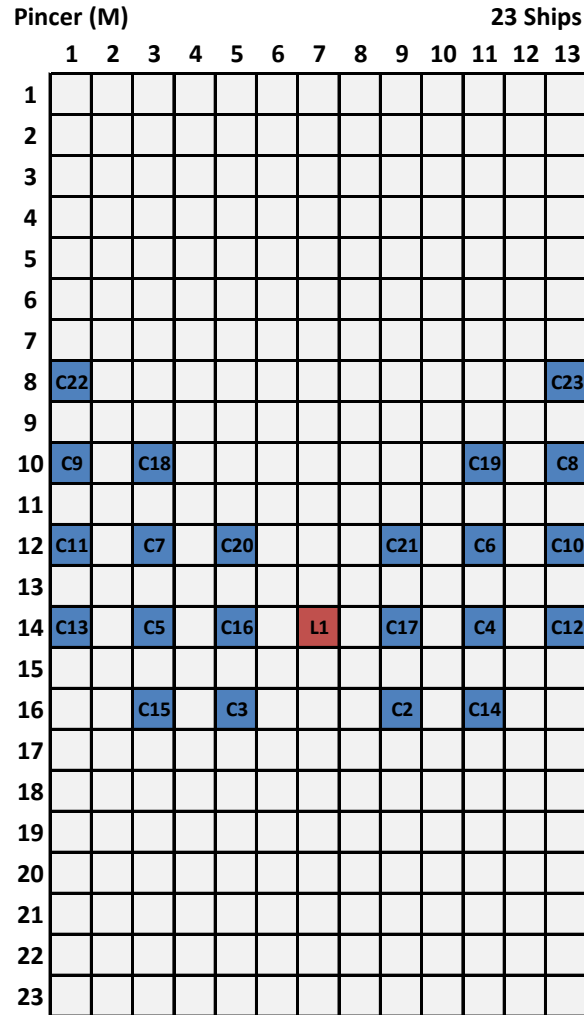

Formation with the ships arranged in a reverse arrowhead.

All spacing is 15 units.

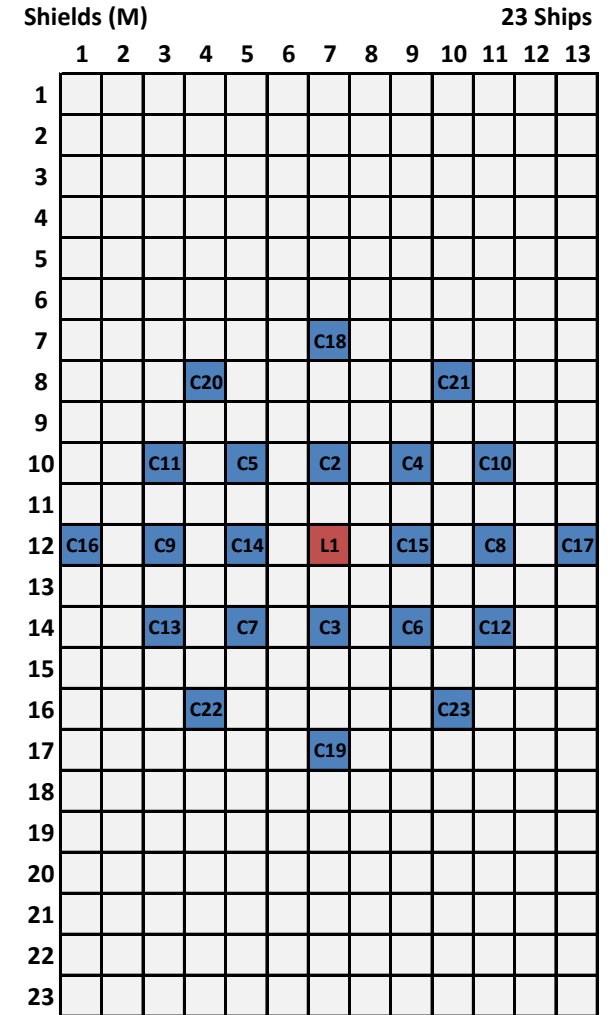

Captain Kwok's Balance Mod v125+ Task Force Formations (Medium)

A staggered box formation with a layer of escorts and pickets.

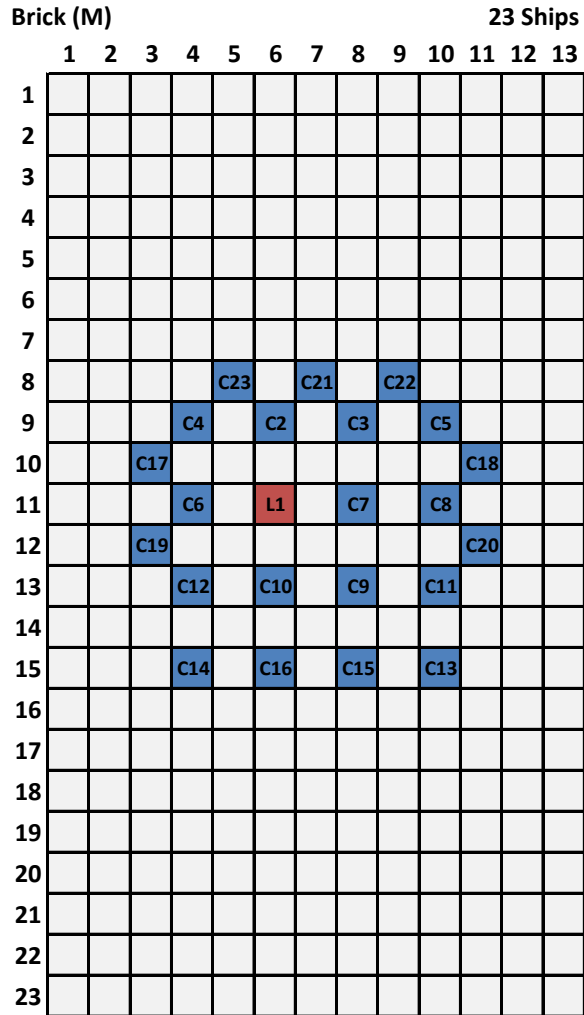

Formation that attempts to entrap enemy ships in a crossfire.

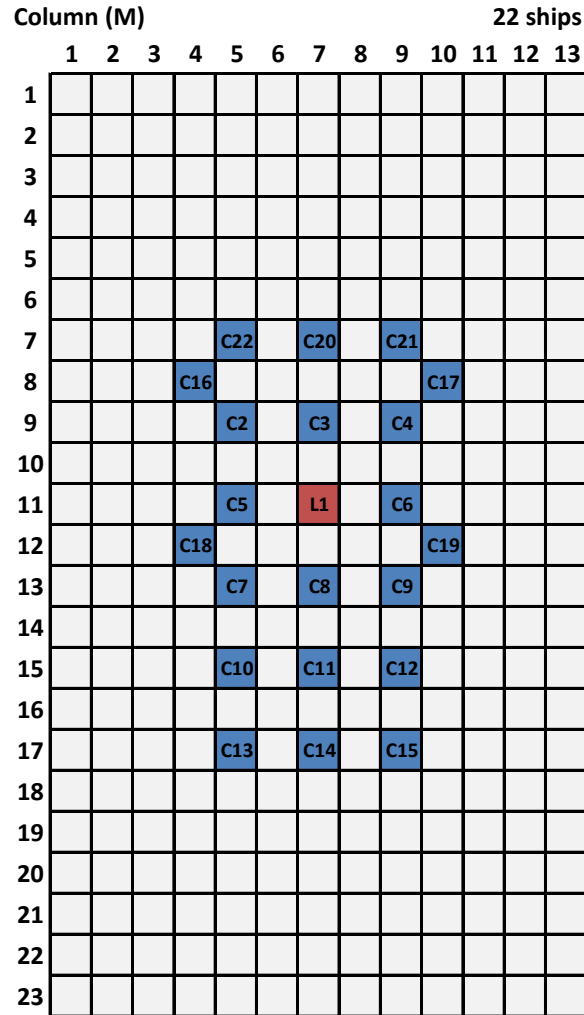

Formation where escorts and pickets protect an inner core of ships.

All spacing is 15 units.

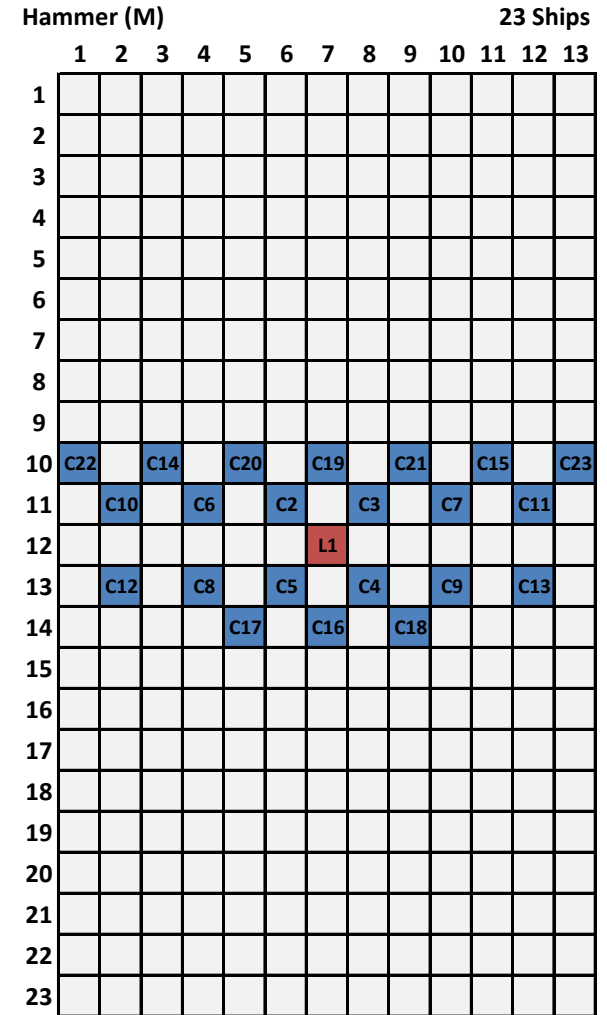

Captain Kwok's Balance Mod v125+ Task Force Formations (Medium)

A tight box formation with layered protection.

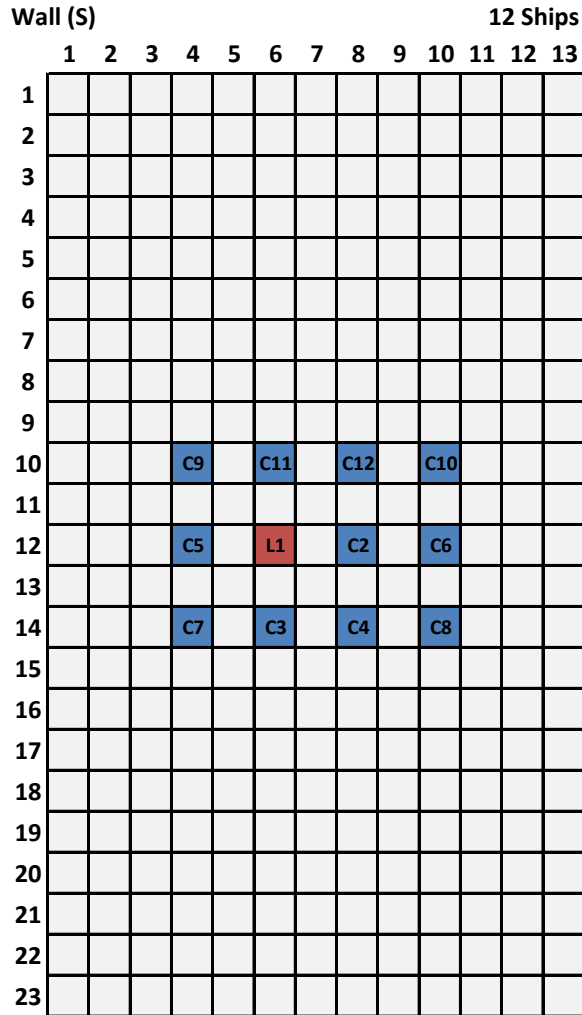

A long narrow formation.

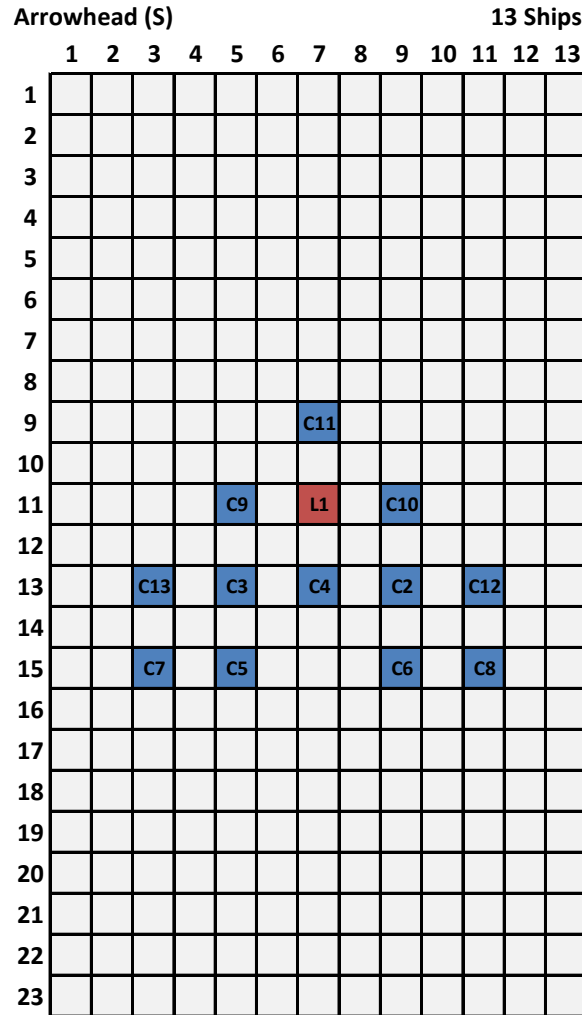

A screened broad front formation.

All spacing is 15 units.

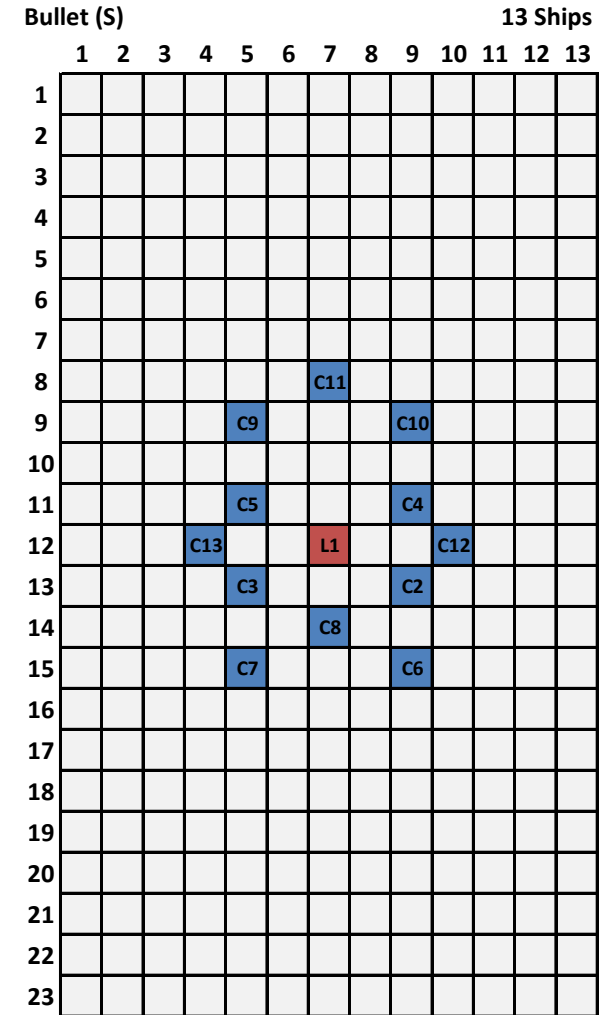

Captain Kwok's Balance Mod v125+ Task Force Formations (Small)

A layer of escorts and pickets around a tight formation of core ships.

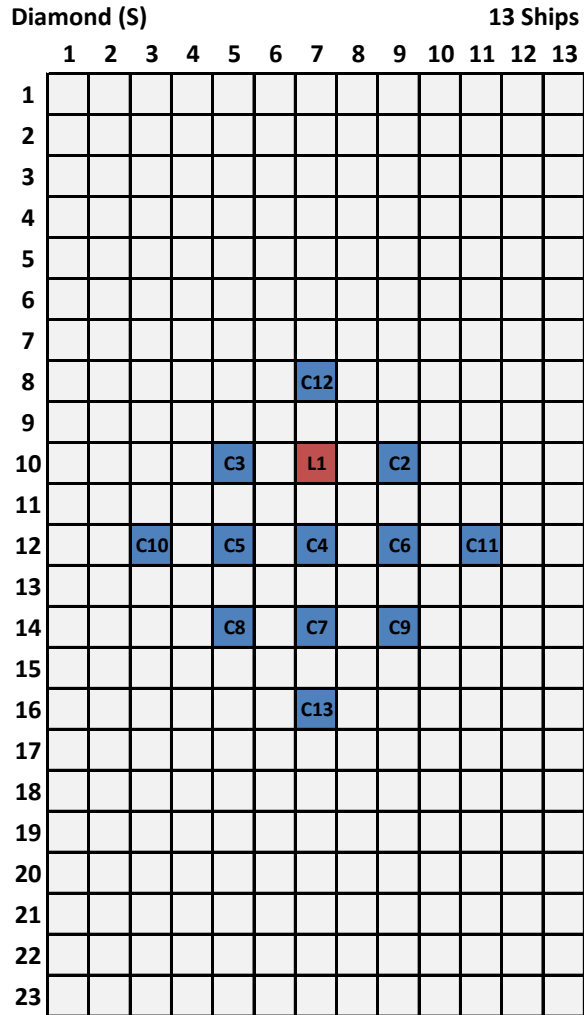

All ships moving forward in a charging attack.

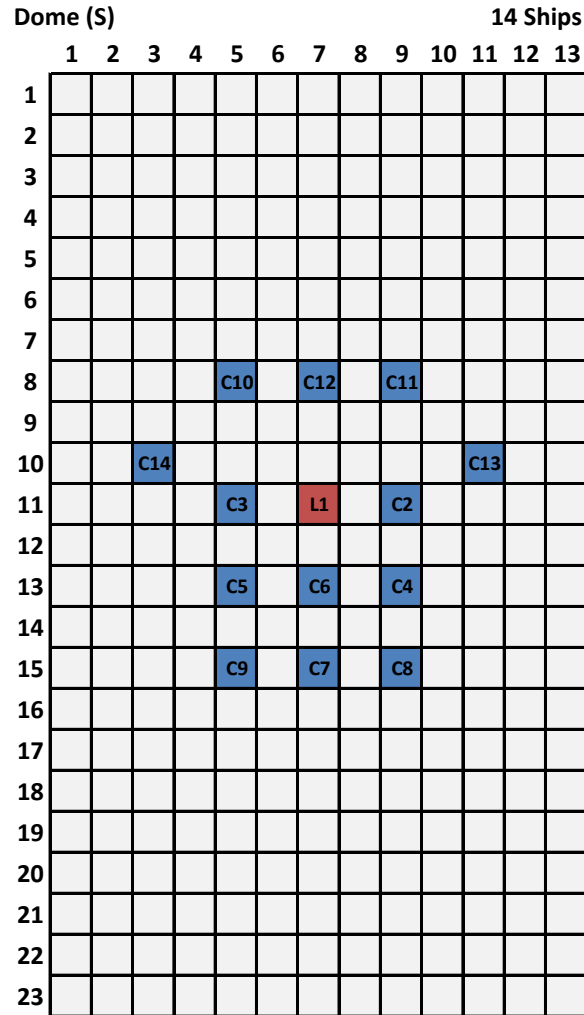

A directed force of ships with columns of core ships waiting to burst through.

All spacing is 15 units.

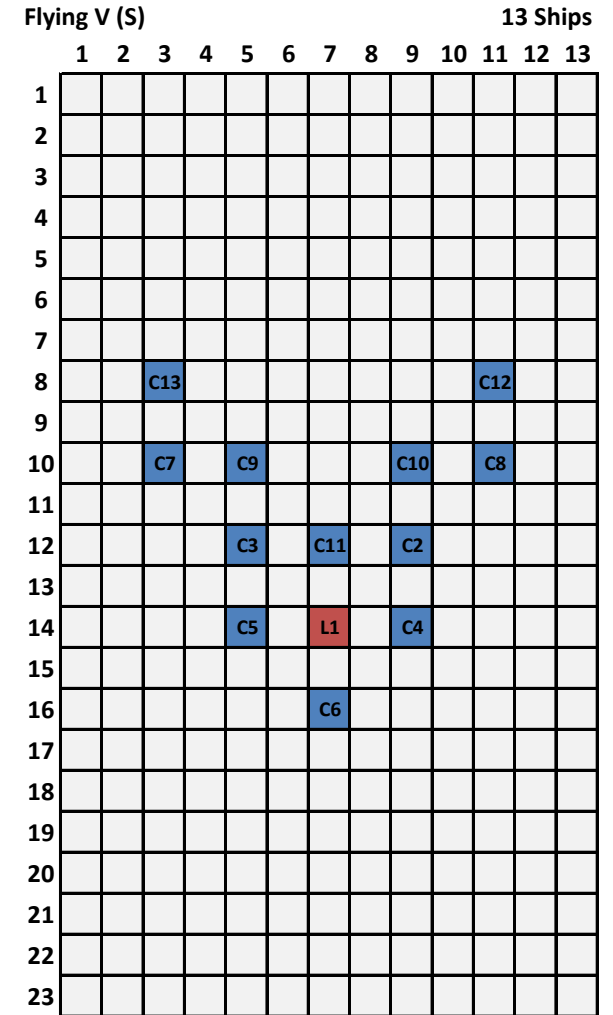

Captain Kwok's Balance Mod v125+ Task Force Formations (Small)

Formation with escorts and pickets arranged around a central core of ships in a diamond.

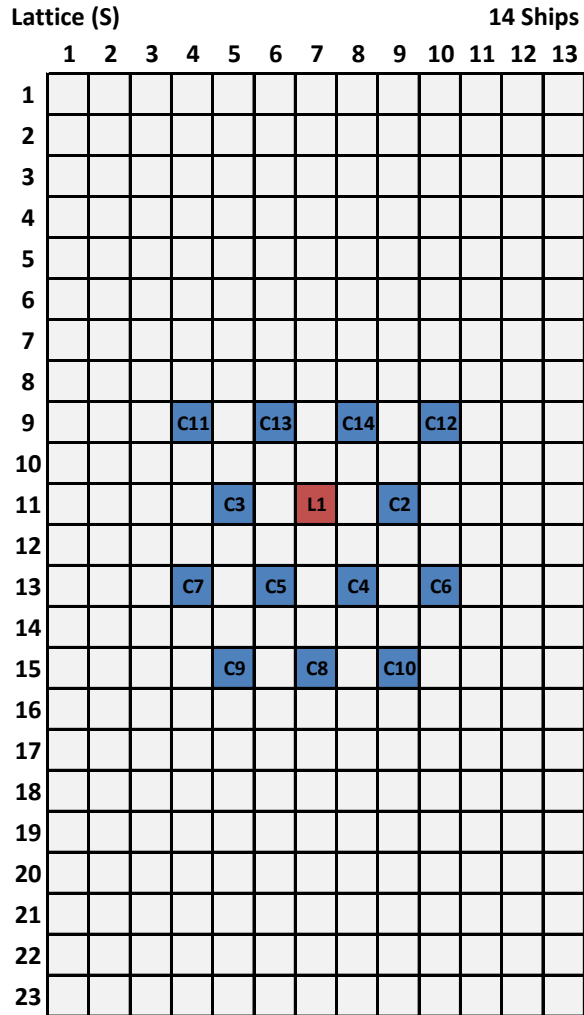

Formation with core ships screened by escorts and pickets in a semi-circle in front.

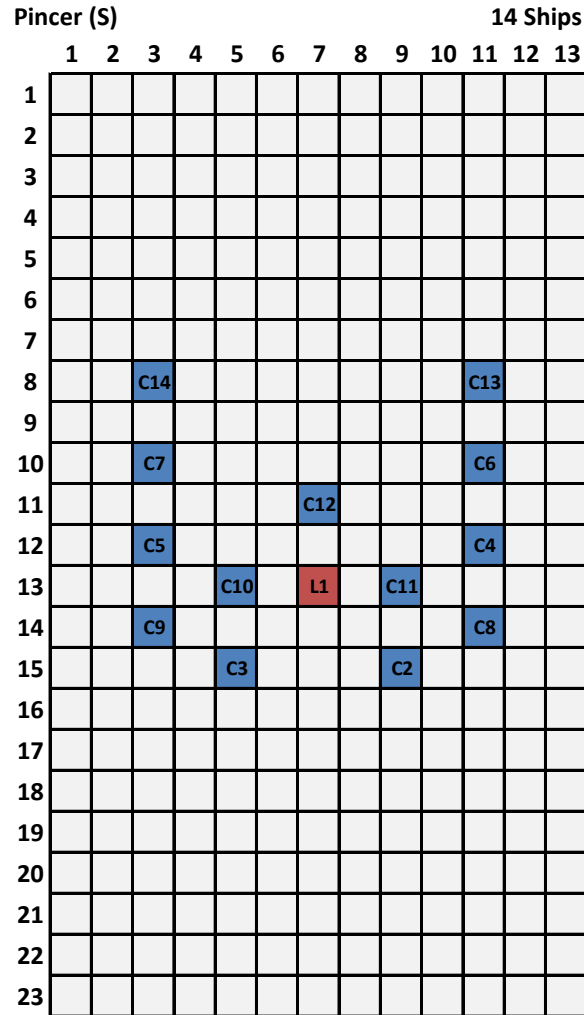

8

All spacing is 15 units.

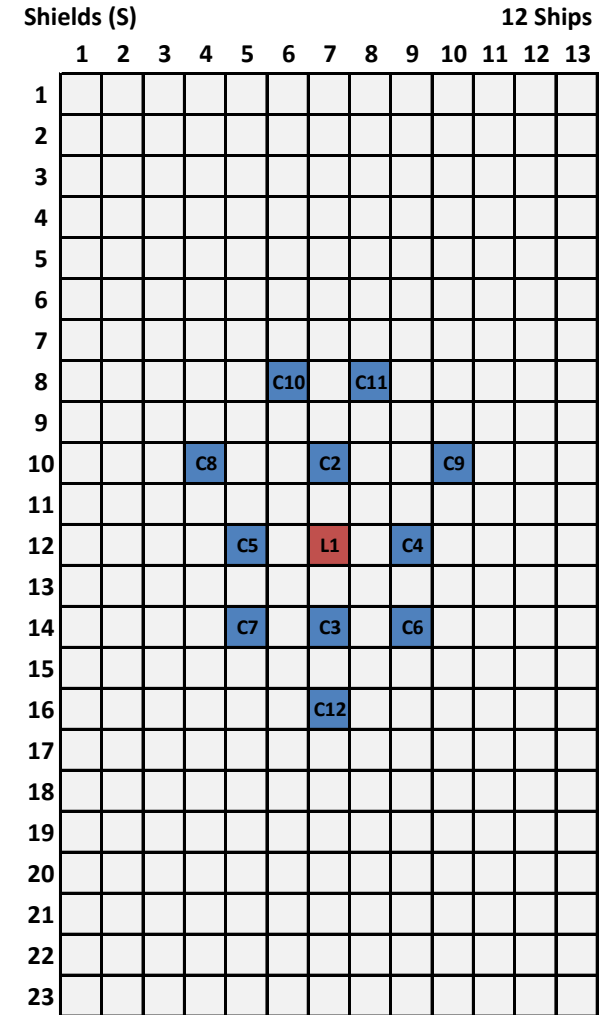

Captain Kwok's Balance Mod v125+ Task Force Formations (Small)

A staggered box formation with a layer of escorts and pickets.

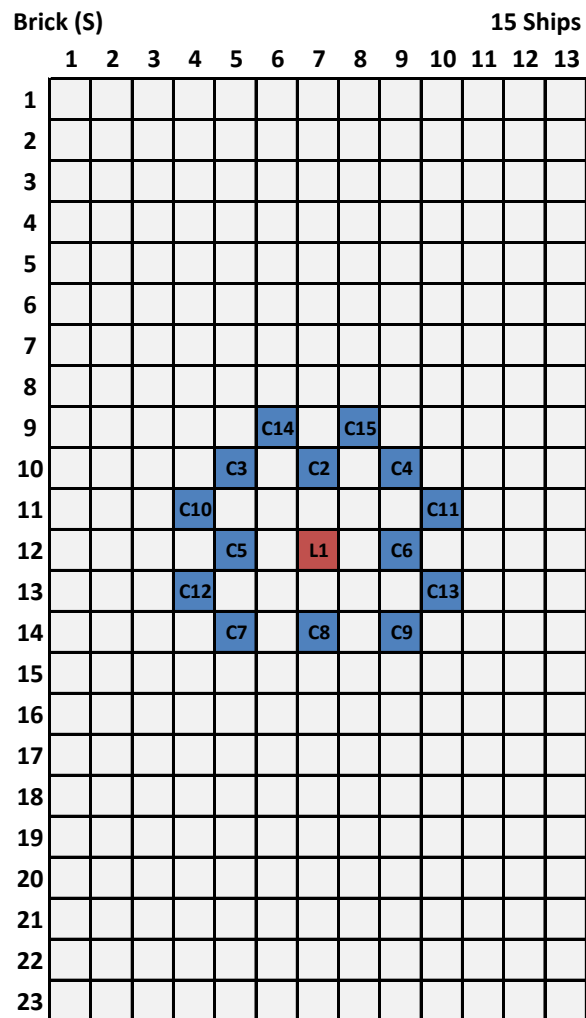

Formation that attempts to entrap enemy ships in a crossfire.

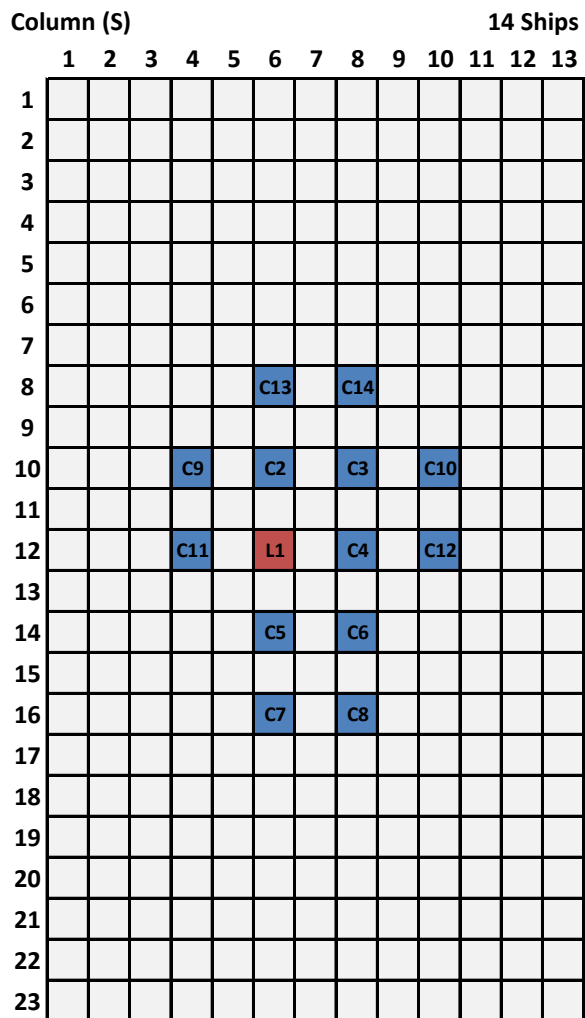

Formation where escorts and pickets protect an inner core of ships.

All spacing is 15 units.

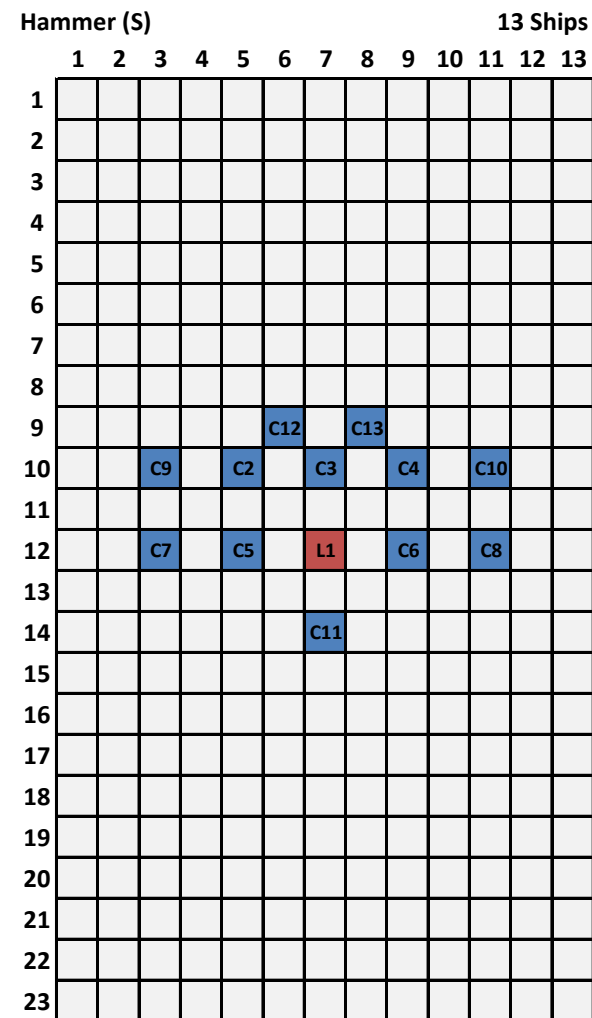

Captain Kwok's Balance Mod v125+ Task Force Formations (Small)

A tight box formation with layered protection.

A long narrow formation.

A screened broad front formation.

All spacing is 15 units.
